## Home Seekers

Our new tract of land has just been platted and is now on the market. These building sites are located opposite Punahou College, facing on Makiki and Punahou streets and Wilder Avenue. We claim every advantage for these lots; they are on the car line, they have city water, they have fine shade trees; the finest residence portion of the city is located around Punahou College, and the magnificent view can never be shut out by other buildings; the elevation is high and entirely suitable for residence purposes. The lots are 75 ft front and 125 ft deep, and the terms can be had on application.
